Was it the above Eva Graybill Wenger? Or was her name Eva Hershey as is listed on the Memorial Stone in the Old Weaverland Cem. and in most of the Weaver Books of which I have a copy? Somebody surely has documentation to prove the case one way or the other. I'm sure I haven't found such documentation although I have questioned several descendants about it. It would certainly be nice to know which one it was. The birth & death dates are given as the same for both names???? (note above dates). Can anyone help clear up this dilemma? Helen

In two different locations it is given that Daniel Bixler married Eva Behney. In one location Daniel is the son of Peter Bixler and Catharine Boeshore with children including Barbara Bixler, 1803 1875 who married Christian Wolfe. In another location it is given that Daniel Bixler married Eva Behney and that Daniel is the son of Peter Bixler and Barbara Peffley. The first Daniel Bixler was born in 1794 and the second Daniel Bixler was born in 1777. It is only the second Daniel Bixler who could be the father of Barbara Bixler, 1803 1875. GESH has determined on the basis of his research that Eva Behney is the wife of Daniel Bixler, 1794 and that the last name of Eva wife of Daniel Bixler, 1774 is not known)

Wonderful cook, loved to do puzzles. Daniel Lee Wenger has the following story about Grandma Brown. "One day Grandma was preparing one of her wonderful black walnut cakes. She was in the kitchen and I was asking her for the recipe for the cake, since it was a favorite of mine. As she added an ingredient to the bowl she would tell me what it was and how much she had added. After adding some milk, I asked her how much she had added. She paused for a moment and then said; 'About a mouth full.' Being of a scientific inclination, I have not been able to complete my recipe of Grandma's black walnut cake." Buried in Greenville Cem.

**Daniel Henry Brown, 1875.1.26 1955.2.3** <1008> son of Lewis W. Brown, 1847.6.27 1913.1.13 <2512,2537> and Elizabeth (Lizzie) Jenkinson, 1848.3.29 1921.3.24 <2512,2537> Born in Allen Twp, Darke Co., OH. He looked like his uncle Henry. Was raised by his grandfather Henry. Worked with his brothers John, Edward and Frank in the thrashing business. Worked at Rossburg as a young man in the grain elevator business with Dan Burns. Married Wilhemina (Minnie) Katherine King, 1876.7.16 1962.6.3 <1008> Moved to Greenville, OH from Rossburg in 1907 when Dan Burns was elected treasurer. Was listed in the 1910 Darke Co., OH Directory as deputy treasurer and living at 117 E. Water. Was connected with the office of the treasurer of Darke Co., OH for about 20 years. For 16 years was deputy treasurer. In 1916 was elected to treasurer himself. Served from 1920 through 1924. His experience with politics left some scars. In September of 1921 he was indicted on twelve counts of embezzlement by the Republican grand jury and Republican prosecutor. About 20 of Greenville's leading citizens signed for his bail bond and he was defended free of charge by the leading Democratic lawyers of Greenville. His daughter Pauline remembers meetings in the home of all the lawyers and hearing bursts of laughing as they planned their court strategy. During the investigation he slept in the treasurer's office with a shotgun to prevent anyone from doctoring the records. In December of that year, after a sensational trial (for Greenville), he was acquitted after the jury recessed for 45 minutes. Ross Zeller says that the experience changed him. He did not pursue politics after that. He was secretary of the St. Clair Home for the Aged for 16 years. He conducted a farm loan and insurance business for many years. He was recognized as an authority on taxation. He was the oldest member of the Greenville Concert band and for about 20 years played with the Shrine band in Dayton. He authored a national code of ethics pertaining to high school bands. Played the baritone in the Greenville band. His interest in music lead to his two children being involved with music their entire lives. Purchased a National car in 1915. Pictures exist of this car. Chewed tobacco, to a degree that his grandson DLW hardly ever heard him speak. He loved sorgum mollasses. Liked to hunt pheasant. He taught DLW how to shoot a gun in the Greenville Park. Lived and died at 219 East Third Street, Greenville, OH of a heart attack. A wonderful gentle man. LDS IGI gives his date of birth as Jan. 27.

**Johann/Hans Michael Miller, 1682** <2478> son of Johann Michael Muller/Miller, 1654/5, ° and Irene Charitas/Charites, 1655~, ° donthnw@email.uc.edu Born Pfaltz, Germany. Married Susannah Bechtel, 1685~, ° <2478> From; Floyd Mason masonf3150@rica.net Subject; Re; Michael Miller children Date; Sat, 5 Dec 1998 17:30:03 -0500 This is an attempt to answer some information that is on the net regarding the children of Michael Miller and his two wives. Many have not done the work that we have and we hereby share our findings. Johann Michael Miller m Susanna Bechtel m-2 Elizabeth Garber Johann Michael Miller m Irene Charitas, m-2, Anna Loysa Regina; after Johann died 1695, Anna Loysa Miller, in 1696 m-2 Hans Jacob Stutzman. They are believed to have lived in Switzerland and later in Germany. They had four children, only Johann Michael survived in Germany and in 1727 moved to America with his step-mother. Michael Miller & Susanna Bechtel m-2 Elizabeth Garber 1 (Hans) Johann "Michael" Miller b 10-5-1692 d 1771, m Susanna Agnes Berchtol (Bechtel) b 5-3-1688 d c1752, da Hans Berchtol & Anna Christina, m-2 Elizabeth Gerber, widow of Nicholas Gerber. They lived in Chester Co. & York Co., PA and then Washington Co., MD. He sold his land in York, PA to his neighbor and wife's relative Samuel Bechtel and moved to land in Washington Co., MD. Here he was engaged in buying and selling land. He bought up many lots of land and resurveyed then, selling them to many of his children, step-children and others. These are believed to be their children. We list the proof that we have and hope that you will help continue the search for more proof. 11 John Peter Miller b 1715 d 1794 Resurveyed Deed of Ash Swamp land - names Father (A) (E) 12 Hans Jeremiah Miller b 1717 d 1781 Owned land in Rapho Twp., Lancaster Co., PA (A) (D) (E) 13 David Miller b 1719 d 1785 David left his Will naming children - Washington Co., MD (C) (E) 14 Hans Michael Miller b 1720 d 1784 m Elizabeth \_\_\_?\_\_\_. They had a son Johannes Danner christened 1745 and daughter Elizabeth Danner who married John Storm. In the graveyard of John H. Garber and Barbara Miller # 19 we find a Head Stone for Elizabeth Danner. It looks like 113 yrs old. We do not know if this is the grave of the 1/2 sister of Barbara or her mother who would have been about that old. This would connect Barbara to the family of Michael and Elizabeth. Deed of land "Range" from Michael & Elizabeth Miller - 1765 1-12 Maria Elisabeth Miller b 3-19-1754 is listed on the roll at Zion Ref/Lutheran Church in Lower Burmudian (Mt. Olivet) York Co., PA Her parents are Michael and Maria Elizabeth Miller. Some of us think that they had this child after their marriage about 1752/53. She would have been only eleven years old when her father passed his land at Leitersburg on to his step-children. No record of her has been found. She may not have lived to maturity. The following are step- children of Michael Miller and children of Elizabeth Garber Miller. 1-13 Elizabeth Garber m Jacob Good Deed from Michael & Elizabeth Miller to Jacob Good - 1765 1-14 Samuel Garber b c1735 was the oldest son but still was a minor at the time of father's Will in 1748 Bought land on Beaver Dam Creek adjacent to Martin. He left his Will. Martin was his witness. 1-15 Martin Garber [Sr] b c1737 d between 1792 & 1804 m Anna Peston. He bought land of Jacob Danner Beaver Dam Creek - 1766 1-16 Anna Garber m John Rife (Reiffe) b 1724 d c 1787 Land Deed Michael & Elizabeth Miller 1765 to John Rife Research Gene Miller of CA did the original research in Germany and PA He is a descendant of Philip Jacob Miller and has it in his book, David Y. Miller. When we began to write the Michael Miller book, we talked to him and he said that if we would spend more time in the records of MD and PA, he was sure that additional research would produce a lot more on this big family. We spent two years looking through more records and have presented them in our book. We were also helped a lot by researchers, Dr. Mary Lontz of PA, Roberta Herbert of VA and Jeanne Gentry of OR.
