Moved to Allen Twp. Darke Co., OH near Rossburg, OH about 1850 with his wife and first son Lewis. Was a cabinet maker. Made a beautiful end cabinet that Pauline Brown (Wenger) had in her home in Los Angeles until the fire of 1961. The underside of one drawer had a hand drawn checker board that Lewis played on. A letter from Henry to his father in Germany, written the year after his arrival in Philadelphia is here given; (note by Georg L. Braun, translation by Gertrude Reutter, UCSC) This is the uncorrected version, copied on typewriter, of the hand-written letter which I have in front of me in the form of a poor photocopy. To make it more legible, I have rewritten it verbatim on the computer. Georg L. Braun, Christmas 1993 Philadelphia, August 25, 1845 Beloved Father, I had hoped in vain to ever get some news from my family after a long period of longing and hoping, and I was very sad about that. I often thought that maybe I had been completely forgotten; but no, the warm heart of the father must still remember the loving son across the ocean. I often implored the Lord in quiet sadness, and deep sighs rose from my breast up to God. On Sunday we got together at Matthias Grebes; Wilhelm Brenner, Ludwig Bätzel, Henriette Marburger, and I. Brenner went home with Matthias Spiess, and Bätzel went along for a while. Suddenly I got the news that Brenner had received a letter. I wanted to go and read it when Ludwig Bätzel returned and said to me, "Braun, a letter for you. I've already read it." I was in a state of heavenly delight and let the tears flow freely. The first word I said was, is my father still alive? and with a "Yes" he handed me the letter. I wanted to read but couldn't; tried once more, but tears streamed down my cheeks again. I gave the letter to Bätzel so that he would read it to me. From the content of your writing I can see that much has happened since my departure. I was especially happy about the cordial greetings from Wirt (pub owner, or possibly landlord) Henk from Hippenstiels at Richstein. According to your letter, head controller Meining may even be dead by now. I was very sorry about that. So now I ask you to give my regards to Mr. Henk and his people. Dear Father, I can tell that the content of my letter caused you concern and sadness. I should not have written it but should have known that it hurt you. But now be content and don't worry too much. I am doing quite well now and have been earning 7-8 dollars a week this summer on a provision. From that I spend two dollars on meals, lodging, and laundry, and if God allows me to remain healthy I will be able to save some from now on. On August 11th I got your letter of June 4th, which you sent through Marburger, and I learned from it that, thanks to God, you are all well except for Georg Kaiser who died this last spring in Wingshausen, and except Karoline Sauer who is suffering from consumption and Christian Sauer whose wife died during childbirth. Although my brother Daniel has been drafted by the guard, he will, due to his number, hardly get ahead in the department's commission. You wish very much that I should return to Germany. It is of course difficult for the loving heart of a father to know his child far away in the big world. And this is also what my brothers and sisters want. But how many thousands of siblings are separated in the world -- one going east, the other west, one south, and one north. Then they want to love each other, yet true love does not awaken until they are separated. Dear Father. I am disturbed by my sister Elisabeth's letter, which was included, because she says that you do not complain about your sorrow to anyone, that you complain only silently to God. And she wrote that you said that not an hour goes by without you thinking of me, and that this had left a deep wound in your heart, and that this grief would soon bring you to the grave. These few words have pierced my heart like a double-edged sword; they have deeply saddened me and led to my decision to return to you in Germany a year from

this fall, if you demand it, and if you cannot reconcile yourself to my absence, and if God will keep me alive. I would rather do that than have my father on my conscience and live with the thought of being responsible for his death. Also, I have often thought about my sister Christine, and I feel sorry for her, especially now that her children do not want to follow (obey?) her. I blame this on the temptation of evil people. Therefore, don't leave her alone, Father, brothers, and sisters, don't leave our poor sister alone, because from the cradle to the grave she has to suffer, but the Lord will crown her with the crown of glory after these long struggles. Yes, she may say, finally there has to be an end to this misery. So tell me as soon as possible what you want me to do, because I have to act accordingly, and, if I am to return, I won't need to purchase many more tools. You asked about Schreckengast. I haven't been able to find out anything about him but heard that he is dead. Give my regards to Heinrich Braun in Beddelhausen. Also, yesterday I went by train to my sister Elisa who is married to Just Schmidt from Beddelhausen. They live seven miles from here in Backerstown and Germantown. She is still quite fit and well, but when I told her who I was, she hugged me and cried, Oh thank God, finally I see a Braun again from my own family. Her husband has become a drunkard who drank himself silly. She sends her regards to all of you and wants her brothers and sisters to know that she is still alive, and that her two children, a son of 22 years and a daughter who is 26, will not leave their mother. Dear Father, There is great unrest and a powerful rebellion in the United States this year, Texas excluded. Mexico declared war on the United States of North America on August 9th. Many soldiers of our city are already on their way to the Gulf of Mexico. Also on the way are a big part of the infantry and artillery from every state of North America. The coast of the Gulf states (?) is heavily occupied by America, because of England, and 600 vessels cruise on the sea off the American coast. It would be better if there was peace, because if a war gets started, everyone between 21 and 43 will have to become a soldier. There is much that I would still like to write, but, as you can see, there isn't much space left. Ludwig Bätzel is still very healthy; we both eat at the Grebes. Also Jakob Althaus, Veldes, and Schuhmacher from Alertshausen are with us and send greetings, especially Ludwig Bätzel. Wilhelm Brenner is married to Christina; they have a lively daughter who is about two months old. Wilhelm Spiess sends his regards; he is still quite well. Give my regards to all relatives and acquaintances, to all of my friends, and I wish them all the best. Dear brothers and sisters, I greet you all from the heart. Never leave our old father, then the blessing and peace of God will be with you until the end. Again, greetings from your loyal and eternally loving son

**Anna Herr, 1754 1791,** ° <2413,2588> BBB Dates from WS Married Jacob Brubaker, 1751 1832, Bishop <2413,2588> TWH gives that Anna Herr was daughter of Christian Herr and Anna Hostetter, son of Abraham Herr, but Abraham had a living son Christian, 1746.12.30 1822 and the other Christian attributed to Abraham (very unusual to have two living sons with the same name) would be too young to be Anna's father. There is already another problem with TWH in that the children of Anna Herr (number 224) and Rev. Jacob Brubaker are not those given on page 50. Those children, Nancy, Christian and Jacob are the children of Jacob H. Brubaker, 1779 1804 and Anna Herr, 1780~, another Anna Herr (per History and Genealogy of the Brubaker-Brubacher-Brewbaker Family in America, page 67, BBB) This Anna Herr, 1780~ is most likely the daughter of Christian Herr and Anna Hostetter (TWH page 13) as the dates for the children are consistent and the given children for this family are in agreement with BBB. Who the parents of Anna Herr, 1754 1791 are is a mystery

VA Nancy Marie Markham, 1919.4.5, G183583A <24,156,364,720> related the following story about Nancy to DW. "She told me a story about Nancy relating to the Civil War era. She said that Nancy was full blooded Shawnee Indian and had the Indian fight in her. She attacked a Union soldier when the Union Army came to Buchanan. Her husband had

been killed by Unionists. The story was a Union soldier broke into a store and was stealing flour. Nancy found him while hiding from the troops. She hit him in the back of the head, and stuffed him in the flour barrel, closed the lid and tied it down. Her intention was to leave him for dead I was told. Marie told me that the Wingers all look like her. We do have dark skin and dark eyes and hair, like indians."

• **Cinderella Clawson, 1856.1.5 1914.7.18** <140,331> MKW Married James  
Thomas Wingard, 1852.10.27 1916.9.10, G181259 The family tried  
homesteading a farm about six miles south of Miller, SD. Several stories are  
told of Cinderella's courage and superior marksmanship with her 10 gauge  
double barreled shotgun. She could shoot 9 out of every 10 hawks and was a  
much better shot than her husband. She was known to save the family cow by  
picking off a mountain lion that was in a tree ready to spring on it's prey.  
Cinderella's shotgun became well known among the neighboring white  
settlers, and to the Indians as well. Once, while James was away from home  
hunting, a band of roving Indians arrived at the Wingard farm and began a  
search to see what they could steal. Cinderella came out of her house with her  
gun and let the Indians know that she would not be intimidated. They are said  
to have left without further trouble. This gun is now in the possession of  
Cinderella's great-grandson Earl Albert Wingard, 1946.4.24, G181259312 Jessie  
Maude Wingard, 1883.4.8 1904.12.19, G1812594 died about ten years before  
Cinderella, leaving her infant daughter Jessie Ione Amos, 1904.12.12 1980,  
G18125941 Cinderella took Ione and mothered her as though she was her own  
daughter. When the family returned to IL they established their home near  
Sheldon where they lived until 1908, when they moved to a farm near  
Remington, IN. The winter of 1913-1914 the couple moved in town. Buried  
Sheldon Cem.

A courageous pioneer family, Founded a homestead we know. But courage, I say, and braveness Made the trail toward the west. Hearaches, sighs and lonesomeness, Yet--a hope that would not rest. Leaving the dear familiar scenes, The shelterings of home, The broken ties of frienchsip, For a spirit that would roam. The spirit that calls and beckons, The spirit that would demand, Out of every need of it A new and better land. The spirit that would dare to venture, That would not own defeat-- Was planted on the prairie To grow, and would not retreat. Cold and dreary and desolate, Things we have never known, Met them on the threshold, Of a pioneer home. But the patience, love and labor Days lengthened into years. For building up a homestead, There is joy as well as tears. The joy of seven sisters! The glory of five sons-- Oh! They would help in building A country just begun. Scattered over the prairie, In this half century of time. Children, grandchildren, and twice great, Heirs to a spirit so fine. The spirit that calls and beckons, To the best that in us lies There is no richer heritage Underneath the skies. Out from the great wide prairie, We have bgathered here today, And in loving,loyal memory A respectful tribute pay.

**John Hawbaker, 1733 1782/4, (i1737.10.8)** son of Hans Jacob (Habbecker) Hawbaker, 1710~ 1788, (i1737.10.8) ° JH OORB Settled in Warwick Twp., Lancaster Co., PA Died in Lancaster Co, PA There are various spellings of the

family name. The oldest seems to be Habegger, (or Habeger). Habeker and Habecker were used in Lancaster Co. and the latter still is. The second generation in Franklin Co. used Hawbecker, but for many it gradually changed to Hawbaker. Henry, Sr.'s tombstone has Habecker on it. His brother, Peter, in Greencastle has Habeger on his. Henry, Sr., wrote his name in German and spelled it Heinrich Habecker. EARLY HISTORY From what Gary Hawbaker has found in his research it seems certain that our family originated in Switzerland. There is evidence in Switzerland of this, and family tradition bears it out. In Switzerland, in 1693, there was a division of Mennonites in Berne. One group followed Jacob Ammon (the Amish), and the other remained under the leadership of the Mennonite Hans Reist. One of the Reist Mennonites was Peter Habegger of the Emmen Valley near Berne. There is a record of a woman named Anna Habegger who was imprisoned for her religious beliefs in Berne in 1711. She escaped the same year. She lived in the village of Trub, and this town is often given as the town of the origin of the Hawbaker family. Various ship records of the 1730's carried people with the family name. On October 8, 1737, on the ship, Charming Nancy, arrived; Hans Jacob, Joseph, Christian, Maria, Anna, Katrina, and Magdalena Habecker. On September 19, 1738, on the ship, Thistle, arrived Peter Habegger. On September 3, 1739, on the ship, Robert and Alice, arrived Johannes Habegger. Some if not all, of the above apparently moved to Lancaster Co., PA Land records show that three daughters of Melchoir and Edith Erisman had by 1760 married Habecker men, and lived in Lancaster Co. John Hawbaker died in 1782 and his estate was divided among his children. His personal property was sold at auction for a value of 325 English pounds, 16 shillings, and 4 pence (about \$869.00). The real estate of 430 acres of Lancaster County farmland was valued at 1800 pounds (\$4,800.) Eventually this property became the property of Christian, and his brother Daniel. Note, "Lancaster Co. History" Road surveyed in 1758 passing the lands of John and Jacob Habecker, Warwick Twp., Lancaster Co., PA these men were also taxed in 1759, ages 27 and 25 respectively. Record of John Habecker found in Book S., page 6, in record of deeds in Lancaster, PA, Courthouse. the deed shown there is dated April 4, 1774. This man was of age or over. Married Elizabeth Erisman, 1725~ , ° OORB gives his date of death as 1788. John had seven children. JH and HD gives John's father as Christian.

**Elizabeth Erisman, 1725~**, ° JH Married John Hawbaker, 1733 1782/4, (i1737.10.8)

• **Christian Hawbaker, 1753 1786/8** <2687> JH Born Lancaster Co, PA Christian is the oldest son. He married Anna, 1755~ , ° Although her last name is not yet know, it seems likely that she was an Eby, Erb, or Huber. After Christian died, she married John Burkholder. Christian and Anna Habecker had five children; John, Christian, Henry, Peter, and Susana. Christian, the father died in 1786, as did his little daughter. He most likely served in the American Revolution, but this is yet to be proved. He was from Warwick Twp., Lancaster Co. Christians personal property was sold at public sale, and brought 517 pounds 2 shillings( about \$1,380.66). The 204 acres he had obtained at his father's death had dwindled to 126 acres, and was valued at 539 pounds (about \$1439.). His eldest son, John obtained the property and held it until he sold it to a surveyor named John Reist for \$18,000. in the year 1814. Although neither Christian, nor his father, John, left a will when they died, Christian's wife, Anna did. her will is interesting. She states, "I bequeath unto my three sons named John and Christian and Peter all my money what I have now, and all the money, standing out upon interest shall be divided in three equal shares ...and unto my son Henry, I bequeath only one Silver Dollar for his whole share and inheritance of my estate for he did not use me well therefore I exclude and debar him out of all my estate...". John, Peter, and Henry moved from Lancaster to Franklin Co in the early 1800's The fourth son, Christian remained in Lancaster Co. Much of the Hawbaker informatin I am indebted to Gary Hawbaker 211 Evelina Rd., Hershey, PA 17033 Three sons moved from Lancaster Co. to Franklin Co, PA, John to Welsh Run in 1812, Peter to Greencastle in 1810, and Henry to Upton in 1813. the name changed to Hawbecker while they were in Franklin Co. Most of the legal papers used that spelling or a close variation. The name is still spelled Habecker in Lancaster, Co., PA

Nobody seems to know exactly where this information came from, and I think someone confused Jacob's wife (Maria Conrad) with Joseph's wife Mary. In fact, one can make the argument that Joseph had two wives, and that Maria (who is usually considered to be the oldest daughter) may actually be Joseph's second wife and the mother of at least Katherine and Abraham, and maybe Barbara

(Wenger/Wingart) Wingert, 1800.1.23 1881.8.16, G1834) Final settlement Sept. 1842 or 1854 Will Book I, page 247 There has been much discussion over the years of the parentage of this Michael Frantz. Some of his descendants had identified him as a son of Michael Frantz, 1725 1807, II (i1727.9.30) Elder <2380> and Magdalena Zug, 1725~ <2380,2381> Some of the comments regarding his parentage are given below, the information coming from LFE and based upon the research of J. Arthur Shanks. "There were several men named Michael Frantz in Botetourt Co., VA during the period of the late 1700's through the middle 1800's. There is confusion and disagreement among Frantz researchers as to the parents of the two men named Michael Frantz who were listed in 1810 as living in Botetourt Co. I (J. Arthur Shanks) made two visits to Fincastle, the county seat, to do my own research on the matter. The first visit was to research our ancestor Adam Shank. The second visit was to establish which Michael Frantz was our ancestor and the father-in-law of Adam Shank who married his daughter Elizabeth. Michael II (Michael Frantz, 1725 1807,, II (i1727.9.30) Elder) died about 1808, so the Virginia Census of 1810 shows that there were only two men named Michael Frantz living in Botetourt Co. at that time. One was listed in the census as "Michael Frantz, Jr.". The other was listed as "Michael Frantz, the younger". Michael, the younger, was listed with several teen-age children at home. Michael, Jr. was shown with himself and wife (both in the 'over 45' bracket; one male in the 26 to 44 bracket and one male 'under 10'). Michael Jr. was obviously much older than Michael the younger. Other research shows Michael Jr. had only four children, all married by 1810. When he made his will in 1816, he named all four children, one of whom he designated as 'Elizabeth, wife of Adam Shank of Kentucky'. There is another

document, a deed, apparently overlooked by earlier researchers, but which proves, conclusively, the parentage of Michael Frantz, the younger. The deed was made by Christian and Anne Frantz on Oct. 13, 1800 and is recorded in Deed Book No. 7, page 352. It conveys, quoting from the deed, 'To our son Michael, a tract of 193 acres on Craven Creek.' This Michael sold part of the 193 acre tract on March 1, 1825. It is recorded in Deed Book No. 15, page 310 and he cites his title, word for word, from the 1800 deed of his parents. he could not have been the son of Michael and Magdalena Frantz whose son Michael Jr. died in 1817. The confusion over the two Michaels seems to stem from erroneous research recorded in a Garst Family genealogy in 1950 and taken as correct since that time. "The Shanks Family from Pequea Creek", by J. Arthur Shanks, Evansville, IN, Whipporwill Publications, 1985 page 45-46. Michael's will follows (with original spelling); In the name of God I make this my last Will and testament. I comit my sole and bodey into the hands of God how first gave me a beaing. I wish my bodey to be buired in a plain and deasant maner, and after my deceas I wish in the first plase all my funeral epences to be paid and in the secont plase I bequath unto my loving wife Hanna the plantation wharon I now live with all the bildings and the stafe that is now in the hous and also the couboard in the house and table and two beds and bedsted and five books which three German and two Einglish and also one chest and one cow, all this above mentioned property my wifeis to inoy unmolested by aney person or persons whatever as long as she lives. She is also to have as much meal and brad as will saport hir for one year after my deceas. Also one wash Ritto and yarne and thret which is now spun is to belong to my wife. She is also to have one hundred and fifty dollors in money out of my estate, which money is to be putt in som good mans hand and to be given to my wife as she need it with the intrest therof. All the above mentioned property and money is to belong to my wife Hanna as long as she lives, and after hir deceas all that is left of the above mentioned property is to fall back to my children. In that plase I wish my mountain land and also my land wharon Ludlo Sisson lives and all the ballins of my parsonal estate which is left after my wifes part which is aloted to hir taken out, all to be sold and equily dividit among all my children, and my wife after my deceas. I wish all my just depts to be paid ou of the mony arising from the sale of my estate, and then the ballins to be dividet as mentioned above. It is my desier that my son in law, Henry Winger is to be my Exaceter of this my last will and testament. Wherunto I have set my hand and seal this year and day above writen. his mark and seal, witness; Charles Seacate, Christian Bowman, Benjamin Barnhart.

LEM gives that Jacob's father is Jacob Funk, 1775,, \* son of Henry Funk, 1750 and Mary Miller, 1780 On basis of research of JSC (see below) Jacob's father is taken as Henry and Nancy. Comments of JSC It is clear from site visits, deeds, photos and the BioAnnuals of FranklinCoPa that; in 1832 a Henry Funk, Sr and wife Nancy in two companion deeds split his more than 500 acres among his two sons, Henry, Jr and Jacob Funk. As a condition he required Henry, Jr (with financial support from brother Jacob) to build he and his wife an 18' x 30' house on the Mansion Farm (and next to the Spring). The farm is less than a mile south of the old Salem Reformed Church and has been referred to variously as - the Funk/Nicodemus farm at Big Spring located at the jct. of Marsh & Leitersburg Roads and/or also at the jct of Antrim & Washington twps at the PA/MD line, just east of the Hollowell Church. Mary Ann Fokken sent me an abstract of the 1850 census of Washington twp - 1850 which shows Henry, Sr & Nancy still there, "next" to widow of Henry, Jr. Henry, Sr is age 76, Nancy - 71
